Commercial traffic (barges) and deep-draft craft in the channel have right-of-way over sailboats and must be treated with utmost respect. Competitors are encouraged to monitor their VHF radio for warnings and communication with other vessels as it relates to these “right of way” vessels. **When a boat sailing under these *rules* meets a vessel that is not, the *rules* of Part 2 (When Boats Meet) are replaced by the [Inland Navigation Rules](#). Any boat impeding the passage of a right-of-way vessel is subject to protest by the race committee or the protest committee.**
4. **SITE ACCESS AND LAUNCHING** - [Harbor Island Yacht Club](#) will be the site of all racing activities. Launching, docking and hauling may be done at Harbor Island Yacht Club free of charge. Access to the club is through a security gate. Non-HIYC members may scroll down to and dial CLUB on the gate control panel and ask that it be opened.

 - 6.2. Each participating boat shall be insured with valid third-party liability insurance.
 - 6.3. Competitors in this event are participating entirely at their own risk. See RRS 4, Decision to Race. Competitors agree that the race organizers (organizing authority, race committee, protest committee, host club, sponsors, or any other organization or official) will not be responsible for damage to any boat or other property or the injury to any competitor, including death, sustained as a result of participation in this event. As an inducement to the race organizers to produce the race, each competitor agrees that by participating in this event each competitor is deemed to have waived all claims against and released the race organizers from any and all liability associated with such competitor’s participation in this event to the fullest extent permitted by law and is deemed to have warranted that he has obtained this same release of the race organizers by each crew member.

11. RACING AND THE RACE AREA

- 11.1. No races will be started in less than three (3) knots of sustained wind as determined by the Race Committee.
- 11.2. The racing will consist of buoy courses for all classes.
- 11.3. One race will constitute a series.
- 11.4. No races will be started after 2:30 pm on Sunday.

- 11.6.1. The "Upper Course" is approximately one mile northeast of the harbor entrance, below Lindsley's Light.

- 11.6.3. The "Harbor Course" is inside the harbor, north of HIYC.

12. SIGNALS MADE ASHORE

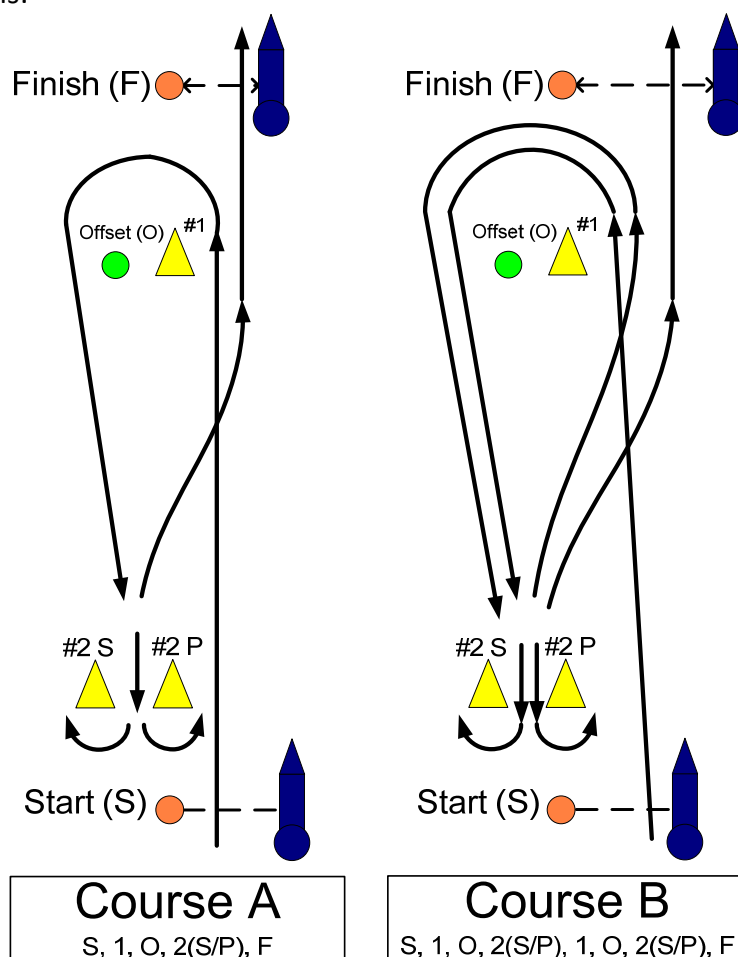

- 12.1. Signals made ashore will be displayed from the race committee boat at the dock.
- 12.2. When flag "AP" is displayed ashore, '1 minute' is replaced with 'not less than 30 minutes' in the Race Signal "AP". This changes the meaning of Race Signal "AP"

- 13. ON-THE-WATER COMMUNICATIONS** – A Loud Hailer will be used by the Race Committee for warnings and communications to the competitors while on the water.

14. COURSES AND MARKS

- 14.1. Marks of the course, including the start and the finish will be **ORANGE buoys**.

- 14.2. The optional mark identified 15.3 may be any shape or color.
- 14.3. All courses will be windward/leeward in configuration.
- 14.4. Two courses are available: "COURSE A" and "COURSE B".
- 14.5. COURSE A is windward/leeward/windward course (once around, finish to windward).
- 14.6. COURSE B is windward/leeward/windward/leeward/windward course (twice around, finish to windward).
- 14.7. Courses may be different for each class and each race.
- 14.8. All courses may utilize an optional windward offset mark "O". If a course uses a windward offset mark, there will be two windward marks. Each boat must pass both marks by leaving them to port.
- 14.9. All courses may utilize an optional leeward gate "G". If a course uses a leeward gate, there will be two leeward marks comprising the gate. Each boat must pass between the two leeward marks (through the gate) from the direction of the previous mark and round either of the marks.
- 14.10. In the event that the optional windward offset mark, "O", and optional leeward gate, "G" are not used, a **signal flag bearing "A" or "B" may be substituted for a Course Board**.
- 14.11. Course Diagrams:

- 14.12. Course Board – If applicable
 - 14.12.1. The course designation, "A" or "B"; and if used, the optional windward offset mark, "O", and optional leeward gate, "G", will be displayed on the starboard side of the race committee boat before the warning signal of each class.
 - 14.12.2. The approximate magnetic bearing to the first mark will be noted on the course board following the "@" symbol, unless flags are used
 - 14.12.3. Course Designation Example: "BOG @345" means "Course B with a windward offset mark and a leeward gate. The first mark is at approximately 345 degrees."

Course Board Diagram Example

BOG @ 345

- 14.13. When sailing the finish leg, marks of the course are not obstructions and do not have a required side.
- 14.14. The Race Committee may adjust the position of a mark of the course and the course adjusted for a shift in the wind direction. If the mark position change is 25° or less, the change may not be signalled. This changes RRS 33(a).

15. THE START

- 15.1. The starting order for the classes will be posted on the official Notice Board.
- 15.2. The starting line will be between a staff displaying an orange flag on the race committee boat at the starboard end and the port-end starting mark.
- 15.3. The race committee may, no later than the warning signal, trail a mark from the stern of the race committee boat stationed at the starboard end of the starting line. The trailing mark will be considered to be an extension of the race committee boat. No boat may pass between the trailing mark and the race committee boat.
- 15.4. Boats whose warning signal has not been made shall avoid the starting area after the first warning signal of a race and shall not interfere with boats that are in their starting sequence.

16. **RECALLS** - When individual recalls are signalled, the race committee may (at its discretion) attempt to hail the sail numbers of the recalled boats by loudhailer. Failure of the race committee to hail or failure of a boat to hear the hail of its sail number shall not relieve the boat of its obligation to start correctly. This changes RRS 29.1 and 62.1(a).

17. **THE FINISH** - The finishing line will be between a race committee boat displaying a blue flag and the nearby mark.

18. TIME LIMIT

- 18.1. The time limit for a race is 1.5 hours
- 18.2. If a boat in a class sails the course and finishes within the time limit, only those boats in the same class finishing within the time limit or within fifteen (15) minutes of the first finisher in the class, whichever is later, will be counted as finishing. This changes RRS 35.

19. **ALTERNATE PENALTY** – A boat that may have broken a rule of Part 2 while racing under spinnaker may take a penalty turn at the time of the incident by sailing well clear of other boats, promptly dousing her spinnaker (head below gooseneck), making one turn including a tack and a gybe, and then resetting her spinnaker. This changes RRS 44.1.

20. PROTESTS

- 20.1. Protests will be written and delivered to the Protest Committee Chairperson before the end of "Protest Filing Time," which will begin when the committee boat docks and end 45 minutes later. These times will be posted on the notice board.
- 20.2. Protest notices will be posted within 30 minutes of the end of "Protest Filing Time" to inform competitors of the place and time of hearings.
- 20.3. Protests will then be heard as soon as possible, in approximately the order of receipt.

21. RACE SCORING

- 21.1. A boat that did not finish within the required time and that was still racing when the time limit expired, will be scored points for the finishing place equal to one more than the number of boats in the class that finished the race. The scoring abbreviation for such boats will be TLX (did not finish due to time limit expiring). This changes RRS 35, A4.2 and A11.

21.2. A boat that did not start (DNC, DNS and OCS), did not finish (DNF), or retires after starting (RAF) will be scored points for the finishing place equal to one more than the number of boats in the class that started the race. This changes RRS A4.2. A boat that was disqualified (BFD, DSQ, DNE and DGM) will be scored points for the finishing place equal to two more than the number of boats in the class that started the race. This changes RRS A4.2.

21.3. All other boats will be scored in accordance with RRS A4.1 and A4.2.

21.4. Each boat's total score will be the sum of her scores for all races, excluding her worst score if six or more races are completed. This changes rule A2.

21.5. If a tie still remains after applying the series tie breaking procedure of A8.1, the procedure outlined in RRS A8.1 will be repeated using all races, including those previously excluded. If a tie still remains, the tie will be broken in accordance with A8.2. This changes RRS A8.2.

22. **PRIZES** - Trophies will be awarded for all classes.
